Optional: Using your portfolio

Google Career Certificates

Your portfolio is meant to be seen and explored. In this part of the course, you'll learn how to discuss your portfolio and highlight specific skills in interview scenarios. You'll also create and practice an elevator pitch for your case study. Finally, you'll discover how to position yourself as a top applicant for data analyst jobs with useful and practical interview tips.

Less

Learning Objectives

- Discuss the benefits and uses of case studies and portfolios in the job search.
- Discuss the use of case studies and portfolios when communicating with recruiters and potential employers.

Less
